Examiner's Statement of Reasons for Allowance

1. Claims 19-29 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art made of record fails to anticipate or make obvious the claimed invention. Specifically, the prior art fails to teach, in combination with the remaining elements as recited in claims 19, and 25:

The present invention is directed to a through air radar process control instrument.

Regarding claims 19 and 25, Prior Art fail to specifically teach that, an intrinsic safety circuit coupling the control circuit to the antenna comprising the circuit board first side including a microstrip quarter wavelength first stub electrically connected to the control circuit and a ground plane proximate the first stub, the circuit board second side including a microstrip quarter wavelength second stub galvanically isolated from the first stub and electrically connected to the center conductor, the second stub being positioned to couple microwave energy from the control circuit to the antenna, and a ground pad, underlying the ground plane, electrically connected to the shield.

Claims 20-24 are allowed for depending on claim 19.

Claims 26-29 are allowed for depending on claim 25.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
